My Friends,

Palm Sunday begins the celebration of the holiest week in our church year. It is not a time to recall past remembrances of the last days of Jesus. Rather it is a time for our entry into and participation in the Paschal Mystery itself. The ritual celebration transcends time drawing us into the action of dying with Christ so as to share in His resurrection. Participation is an important element of entering into the graces of this week.

It is a little disappointing that so few participate in the liturgies of the Sacred Triduum. If Lent has passed you by with minimal involvement, might I suggest an extra effort to get to church for these grace-filled liturgies. The schedule is in today's bulletin. There are many places in the world where people are risking their lives to participate in a Christian assembly. We have the freedom to worship but fail to appreciate the blessing that is ours. I encourage you to make a special effort to attend at least one of the Holy Week services. May this be a time of true conversion and grace for our parish family.

Fr. Charlie

Dear Parishioners,

We want to thank each of you again for your wonderful spirit, faith, goodness and generosity (including financial) expressed in the GROW mission we facilitated with your parish recently. It was great to see the three parishes come together for the mission. We pray that you may continue to be vital in your most important mission and ministry in daily life and work. Please pray for us as we reach out to more workplaces and communities. We can be reached at any of the following www.h2hc.org, info@h2hc.org, 330-434-3278, or Heart to Heart Communications, 40 University Ave., Akron, OH 44308. Also, we have many Catholic Christian resources at www.livingfaithatwork.org.

God Bless.

Fr. Norm Douglas and Larry Vuillemin

In your prayers...
