My Friends,

As we come to the end of another school year, we congratulate all of our graduates. We wish our high school graduates well as they take they begin the next chapter in their lives. May God guide you as you discern His purpose so that you can live a full life.

We also want to congratulate our 8<sup>th</sup> grade students as they take the next step into high school. It is an exciting time in your life and we know that you will make St. Mary's proud. Thanks to the generosity of our parishioners, we have been able to continue a tradition that is over 150 years old. You are part of a wonderful legacy that will provide a strong foundation for the rest of your lives.

An ancient tradition that will end this year is Mrs. Sharon Brunkow's presence in our school. She has taught our children for 34 years! I hope you have been able to see the display outside the Weigand room. It gives you a sense of how many children have been shaped by Sharon's (I feel like I should say 'Mrs. Brunkow.') loving, caring person. Sharon has truly been a blessing to our school and to the lives of our children. We wish her many happy and healthy years in retirement.

I want to thank our PTU for putting together a wonderful float for the Memorial Day Parade. It took a lot of work and survived the storm. While I miss riding in the corvette, it was fun being able to walk and greet people along the way. Next year I am thinking of getting my trombone out so that I can play the St. Mary 'fight song' with the band riding on the wagon. Thank you for making us proud.

Finally, we want to wish all of our children a safe and fun summer. While school is out, we should never take a vacation from appreciating all that God has done for us. The beauty of summer is a great religion lesson in itself.
