Helping Hands Ministry	\$1,617.50
Envelopes	246

Thank you for your generosity.

[2nd Collection June 11th - Capital Improvement Fund]
[2nd Collection June 18th - Tuition Assistance]

My Friends,

First of all, I want to thank everyone who joined us for the 200 Club Dinner. Not only is it a significant fundraiser, but more importantly it gives us an opportunity to come together as a parish and build up our community. I am especially grateful to Lori Fitch and Jennifer Ehlke and all who assisted them in making it such an enjoyable evening. It was good for our school and good for our parish.

I also need to express my gratitude for our principal, Sharon Urig, and all the teachers for another year of dedicated service. Not only do they teach our children, but even more they minister to them. I am embarrassed that I am unable to pay them a salary that would compensate them as they deserve. I pray that God will reward them for their selfless efforts in service of our school.

I would be remiss at this time of year if I did not thank all of our parish staff. They do so much that goes way beyond their job description. If I name one, I would have to name them all. We are truly blessed to have a staff that dedicates itself in carrying on the work of our Lord without counting the cost. Since they are not getting paid much here, I know their reward will be great in heaven!

As I bemoan my lack of funds to pay our staff and teachers what they deserve, I hope that you will continue to support our various fundraising efforts. I missed driving the corvette in the Memorial Day Parade. It's a long walk! But the Calendar Raffle has become a much more efficient way to raise the funds. The envelopes with the raffle tickets are outside the Weigand room. Please continue to help us in selling them. It is a great deal! With a \$10 ticket, you get 31 chances of winning money. The funds will again be used to support the operation of our school.

Fr. Charlie

Wedding Banns

*I Jared Fritz & Amie Zvosec
III Steven Bartok & Brittany McLaughlin*
