[2nd Collection June 25th - Peter's Pence]

[2nd Collection July 2nd - Mission Cooperation Plan]

My Friends,

Each year, usually sometime during the summer, we are visited by a missionary seeking support of their apostolate. Next weekend, Fr. Jacek Dembek of the Congregation of the Most Holy Redeemer will make our missionary appeal. He will speak to their work among the poor and lonely in Russia. Pope Francis reminds us that it is not enough simply to claim that we are Christians. As disciples of the Lord we are obligated to proclaim the good news to the world. This is one way we can exercise our missionary spirit.

In this year of celebrating Elyria's bicentennial, we have been encouraged to bring the good news to our local community. The area churches have come together in promoting Elyria as a 'Compassionate City.' At the entrances of the church you may have seen tri-folds with the bicentennial logo. Each month the participating churches throughout the city work together on a specific 'Act of Kindness.' In the month of July, our focus is on children, especially the need for foster and adoptive parents. It takes a village to raise a child. With the rise of the opioid crisis, this saying is more pertinent than ever.

Looking ahead to the bicentennial celebration, the area churches will have an 'open house' on Sunday, July 30th from 1-3pm. It will conclude with a presentation by Sacred Landmarks based out of LCCC on the history of the churches at Washington Ave. UCC.

We will also have a float in the parade on Saturday, August 5th. We are presently getting volunteers and ideas together to plan our float. If you are interested in helping, please contact the parish office.

Hopefully, you are taking advantage of these summer days for some rest and relaxation. These are the days when we create memories that last a lifetime.

Fr. Charlie
