[2nd Collection November 16th - Tuition Assistance]
2nd Coll. Nov. 23rd - Catholic Campaign for Human Development

My Friends,

First of all, I would like to thank everyone who took the time to fill out a Stewardship form. We had a large number returned. This will help us update our files. There is so much going on in the parish that it is hard to keep everyone informed. With the weekly publication of 'The Bells,' you will get a reminder in your email of everything that is going on. I have also had difficulty contacting parishioners by telephone because they disconnected their land lines. With so many returning the forms, it should be easy to make contact when needed.

I am also grateful for your generous response of talent and treasure. We are inputting all the ministries and activities in which you expressed an interest into our database. As the need arises, we scan the database to surface those who are interested in that particular ministry. So, if you are not called upon right away, it is not because we do not appreciate your gifts. We also encourage your coming forward to volunteer should we miss your name in our files. Our goal would be to have every parishioner engaged in some form of ministry or activity here at the parish. It is how we get to know one another and grow together.

This weekend we have speakers at all the Masses to talk about the Catholic Campaign for Human Development. The collection is next week. In this time of thanksgiving, our faith requires that we share our gifts. No one should have to go without the basic necessities of life. The Bishops' Conference of the United States (USCCB) established CCHD to help eradicate the causes of poverty. It helps fund local self-help projects that work to improve the plight of the poor. I would like to encourage your generous support.

Adopt a Veteran For Christmas - The Ohio Veterans Home in Sandusky is a resident facility with 600 male & female residents. Almost 60% of the residents are from Lorain or Cuyahoga County and have nothing when they arrive. My goal is to make sure each one of these residents receives a gift during the holidays. After asking the Veterans Home what the residents could use, I put together various combinations of Mary Kay shave foam, aftershave gel, hand cream, energizing leg cream, lipsticks, nail polish and body sprays at the cost of \$20 each [well below retail value]. I need people who would like to sponsor one or multiple veterans. If you have the ability to help, please contact Cindy Urig 440-567-4319. Thank you!

Blood Pressure checks will be available this weekend November 15th/16th after Masses in the Weigand Room.
