My Friends,

As we bring another fiscal year to a close and set the budget for the coming year, the cash flow will be a little tighter. This is so especially through the summer months. As I mentioned a couple of weeks ago, our parish has the capability of making our weekly contributions through electronic giving. You have the option of an automatic withdrawal from a bank account once a month or through a credit card payment. Not only is this method of giving more convenient for our office help, but it also saves paper and postage.

We have been working with Faith Direct these past few years to offer this service. A good number of parishioners including myself are using this online service. In these coming days, you should be receiving an invitation in the mail to enroll in this program. There are a number of ways you can do it whether online or over the phone. If you are not tech savvy and are somewhat intimidated by the Internet, please feel free to call the office. We would be happy to assist you in enrolling you in Faith Direct. If you have any questions, you can talk to Faith Direct or contact us here at the parish office.

I want to conclude by thanking everyone for their generous support over the past year. Along with Fr. Weigand's generous bequest we have been able to keep up with our bills. While we will give the full finance report in the fall, we will need to do some belt tightening in the coming year. Know that your continued support is very much needed. I think we can be proud of all that has been accomplished these past few years. With God's help and good stewardship, I am sure we can continue the good work he has begun in us.

Prayer for the Safety of our Military

*Almighty and eternal God,
those who take refuge in you
will be glad and forever will shout for joy.*

*Protect our military,
as they discharge their duties,
with the shield of your strength
and keep them safe from all evil and harm.*

*May the power of your love
enable them to return home in safety,
that with all who love them,
they may ever praise you for your loving care.
We ask this through Christ our Lord. Amen*
